ToonBoom Harmony, Storyboard Pro, Adobe Suite (Photoshop, After Effects, Premiere Pro, Animate, Audition, Illustrator), Procreate, Procreate Dreams, Google Suite, Microsoft Suite, Traditional Drawing

JOB EXPERIENCE

JUNE 2024 - PRESENT

Tour Guide - School of Visual Arts - Customer Service

- Led groups of guests through SVA facilities and campus. Answered questions pertaining to the school and program. Utilized spreadsheets to compile "Thank You" postcards for prospective students.

PROJECTS (SHORT FILMS)

SEPTEMBER 2025 - PRESENT

LAYERS - *Short Film, Director, Animator, Artist, Voice Actor, Producer*

- Thesis Film. Tells a story of the redemption of a man through vegetables. Produced and managed a 10 minute animated short film. Handled every part of the pipeline, including collaborating with a composer as well as two colorists.

Received funding from The School of Visual Arts through the BFA Animation department's finishing grant

JANUARY 2025 - MAY 2025

There's Something in my Eye - *Storyboard Artist, Location Designer, Animator*

- Worked on a team of 20 classmates to create an original animated short film. I provided storyboards, location designs, and animation on the project.

Screened at SVA's Junior Jammies in September 2025

SEPTEMBER 2024 - MAY 2025

Twin Peas - *Director, Short Film*

- Created an animated film with a peer assisting me with animation cleanup. Made the deliverables for the project under a 15 week time-span beginning with pre-production.

Screened at SVA's The Undies in October 2025.

SEPTEMBER 2023 - PRESENT

I Always Wanted to be a Marine Biologist - *Director, Solo Film*

- Responsible for all aspects of production of an 8 minute short film including screenwriting, storyboarding, backgrounds, animation and sound.
